To Whom It May Concern,

How are you?

I am happy to introduce my wife, Mi-Ja Kang. I have met her about 20 years ago. My female classmate at university introduced my wife who was a kindergarten teacher for her daughter. Because she was lovely, I asked her to marry me almost as soon as I met her. As a result, I have two lovely daughters, Daeun and Dayoung. I registered our marriage at 07/12/2000. But the wedding date is 10/02/2001.

Here is a brief timeline in NZ.

- 21/01/2018: Rent house. 2/155 Shakespeare road, Milford, Auckland 0620
- 21/02/2018: my family arrived in NZ from S.Korea.
- 10/05/2020: Rent house. 1/95 Totaravale drive, Totara Vale, Auckland 0629

She is very good partner to me and is a good Christian. When I was in trouble, she always prayed for me and encouraged me. She always tries to get along with Jesus at any situation. Since we had married, we has lived together all the time. And, I have been in NZ with my family for less 4 years now. My wife and I have many friends at Auckland Tabernacle church, who can bless us and prove us as a good couple. We still love each other.

If you allow us to extend to stay longer in NZ, I will appreciate it.
